The Indian Boxing Council, a body set up to promote the sport of Professional Boxing in India today announced the launch of

Stanley Christodoulou was inducted into the International Boxing Hall of Fame in Canastota, New York on 13 June 2004. He was the first man to referee world title fights in all 17 weight categories, and the third to oversee 100 world title bouts. Christodoulou served as executive director of the South African Boxing Board of Control, and has twice been named South Africa Boxing's 'Man of the Year'.

The 3 day workshop to be held in a hotel in the city will help the World Boxing Association and the Indian Boxing council to set in place world class technical frameworks for the conduct of the sport in India.

The medical ringside doctor's workshop will be conducted by the Chairman of the Medical Commission of the World Boxing Association Dr. John Hartley Fleming who is a renowned Neurologist from South Africa

As part of the delegation, Ms. Marian Borissova, European Coordinator of the WBA who has officiated in over 150 Title Fights all over the world shall conduct the Supervisors workshop. Ms. Borissova who is from Sofia, Bulgaria is one of the most recognized women in the sport of Boxing.

Brigadier Raja, President of the IBC said “ The Indian Boxing Council is in its infancy and the very fact that the President WBA, Mr. Gilberto Mendoza Jr. has appointed 3 world leading figures from the sport of boxing in setting up frameworks in India, gives a clear indication of the potential he sees in Indian Boxing.

Mr. Gaive Nagporewala, Chairman of the Ring officials Commission added “We have received a tremendous response with over 40 IBC officials from all across the country applying to attend the workshop over 3 days at New Delhi.”
